Dear Sir / Madam,

Student's satisfaction is one of the most important aspects of organizational performance that is most critical for the current and future success of the organization.

It is evident from the student feedback I (academic year 2022-23 Even term) conducted on 31<sup>st</sup> March 2023. It is observed that your student satisfaction score is below 80%. This may leads to failure of some students in summative exam conducted by the university. Such failure has undesirable consequences which affect unique identity of the institute. Please check the following table for the score in Feedback I

SN.	Name of Faculty	Subject Name	Year	Div / Batch	Feedback I Score
1	Ms. P. T. Gaikwad	Pharmacology I	S.Y.	Div A	50.84 %
				Div B	59.83 %
				Batch A	54.29 %
				Batch B	50.00 %
2	Mr. A. B. Surve	Pharmacognosy I	S. Y	Batch C	75.71 %
				Batch D	60.28 %
3	Ms. M. D. Magdum	Medicinal Chemistry III	T. Y.	Div B	71.38 %
4	Ms. P. R. Shelake	Social & Preventive Sciences	Final Y.	Div A	69.73 %
				Div B	70.80 %

You are therefore directed to go through student's Feedback and rectify it by reviewing the attached feedback report.

Thanking you
